

## Mission

To become a global leader in instrumentation and process control by providing the highest quality of advanced technological products.

## Vision

Become a dependable and trustworthy partner, dedicated to providing unmatched quality of instrumentation and process products & services, which exceeds our customer's expectations each time.

## Core Values

- Ownership and Accountability
- Integrity
- Maximize Value
- Relationship Development

### Tek-Trol LLC

796 Tek Drive Crystal Lake, IL 60014, USA

# TEK TROL

Technology Solutions

Technology Solutions for Process  
Measurement, Automation & Control

## Our Expertise

Tek-Trol provides process measurement and control products for Flow, Level, Temperature & Pressure measurement, Control valves & Analyzer systems. We are present in 15 locations globally and are known for our knowledge, innovative solutions, reliable products and global presence.
